

Field practice log

Keep one line per practice per field each time the work is done. Take a photo on the spot with location turned on. The first line is a filled-in example with fictitious data.

Operation							
Kept by							
Season / year							

Date	Field	Practice (code)	Extent	Photo #	Location (lat, long)	Notes	Initials
2027-03-14	North Bottom	Cover Crop (340): termination	48 ac	IMG_0412	35.18, -83.38	Rolled cereal rye at anthesis	JD

Enter these same lines in the Made in USA Inc. app from your phone when you can. Each photo gets a fingerprint so the record can't be quietly changed later.
